Final Rule: Chapter 15 – General License Regulations

---

The Commission is asked to amend Chapter 15, General License Regulations. The amendment is necessary to comply with statutory changes made by the 2008 Iowa General Assembly, House File 2616, which changed the code section reference for convictions of trespass while deer hunting from Iowa Code section 716.7 to 716.8. The adopted and final rule will account for this statutory change. No comments were received during the comment period and no changes were made from the rule published with the Notice of Intended Action.
